In March 2016, the Government engaged Hon David Bleby QC to conduct the statutory review of SACAT required under its enabling legislation. That review was completed following the end of the financial year and will direct various projects for the 17/18 year. SACAT welcomed the opportunity of the review as an early stock-take of progress towards the original vision. The anticipation of receiving new jurisdiction remains a motivating prospect for staff and members. SACAT welcomed additional once-off funding towards assuming new jurisdiction and staffing for business improvement projects to occur in 17/18.
