Our strategic focus

Our Purpose	SACAT is a state Tribunal that helps people in South Australia to resolve matters within civil and administrative law, either through agreement at a conference or mediation, or through a decision at a hearing. SACAT also conducts reviews of Government decisions.
Our Vision	SACAT strives to be accessible and responsive to user needs, and deals with cases in a range of areas (or jurisdictions), such as residential tenancies, mental health, guardianship & administration and a wide range of administrative decisions made by other areas of Government.
Our Values	<p>Respect – We value the individuality, needs, rights and dignity of all persons and we treat each other and Tribunal Users with professionalism.</p> <p>Service – We provide professional, efficient and accessible dispute resolution and decision making to achieve just outcomes for the community.</p> <p>Fairness – We listen with an open mind and consider issues in a balanced and impartial way to provide fair outcomes that are clearly explained.</p>
Our functions, objectives and deliverables	<p>In the exercise of its jurisdiction, to promote the best principles of public administration</p> <p>To be accessible by being easy to find and easy to access, and to be responsive to parties, especially people with special needs</p> <p>To ensure that applications are processed and resolved as quickly as possible while achieving a just outcome</p> <p>To keep costs to parties involved to a minimum insofar as is just and appropriate</p> <p>To use straightforward language and procedures</p> <p>To act with as little formality and technicality as possible</p> <p>To be flexible in the way in which the Tribunal conducts its business</p> <p>In relation to the above objectives, to consult and engage with appropriate agencies and organisations</p>

Our organisational structure

SACAT is headed by a President, Justice Judy Hughes, who is a Supreme Court judge. The SACAT registry is led by the Principal Registrar, Ms Anne Lindsay, who assists the President in the administration of the Tribunal and its day to day business. The Tribunal's alternative dispute resolution and hearing work is performed by members and statutory officers who work sessionally or on a full or part time basis. A full list of members is provided at Attachment 1.

The work of SACAT is organised into nine lists:

- Complex Guardianship and Administration
- General Guardianship and Administration and Mental Health
- Health Practitioners
- Administrative and Disciplinary
- Births, Deaths and Marriages
- Complex Housing
- General Housing
- Federal Diversity (Tribunal and Court)
- Internal Reviews

This is supported by the registry function which is currently separated into three areas:

- Housing & Civil
- Community
- Administrative & Disciplinary

In addition there is a corporate services area which supports the Tribunal through provision of financial, systems and administrative support.

SACAT's organisational chart is available [here](#).

Changes to the agency

During 2020-21 there were no changes to the agency's structure and objectives as a result of internal reviews or machinery of government changes.

Legislation administered by the agency

*South Australian Civil
and Administrative
Tribunal Act 2013*

SACAT currently provides dispute resolution services for jurisdiction referred by over 90 enabling Acts.

The agency's performance

Performance at a glance

SACAT publishes statistics quarterly in relation to how quickly we process varying types of applications, the number of phone calls we receive and the number of views of our website. These can be viewed at <http://www.sacat.sa.gov.au/about-sacat/our-service>

Agency contribution to whole of Government objectives

Key objective	Agency's contribution
Lower costs	SACAT provides efficient dispute resolution services, and waives fees in circumstances where applicants have financial need or where it is in the interests of justice.
Better Services	When SACAT commences a new application type, the processes are assessed to ensure that the procedure is as straightforward and user friendly as possible. SACAT responds to feedback if an applicant finds the application process challenging and provides support through the process through well trained customer service.

Agency specific objectives and performance

Agency objectives	Indicators	Performance
To be accessible and to be responsive to parties.	Provide improved digital application processes to support increasing stakeholder demand for remote accessibility.	Provided improved digital services through enhancements to the Tribunals online portal.
To be flexible in the way in which the Tribunal conducts its business.	Adapt to the needs of the general public.	Provided visits to protected persons in hospitals and residential care to enable participation in hearings that would otherwise not be possible. Transitioned to hearings being

		conducted remotely during COVID-19.
To ensure applications are processed as quickly as possible while achieving a just outcome.	Listing times are identified for each application type while addressing needs for procedural fairness.	Used sessional member workforce to ensure SACAT is able to list a matter when needed while assessing urgency to ensure fairness. SACAT has responded to increasing application numbers in some jurisdictions, while maintaining a focus on listing times and procedural fairness.
